WORK HISTORY

WORDPRESS DEVELOPER, ZOYAZ COLLECTION, KITCHENER, ON

March 2021 – May 2021

As a WordPress Developer working as an independent contractor, I built and hosted a WordPress website for an e-commerce business by maintaining consistent communication with the client and making sure I met the deadlines that were requested. I was responsible for finding and implementing a theme that satisfied the client's requirements and that complimented the brand's presence. The website can be visited at zoyaz.ca

SALES CLERK, BELL CANADA, NORTH YORK, ON

April 2016 – September 2016

As a Sales Rep at Bell, I was responsible for ensuring all customers were tended to in an efficient and friendly manner. I gained experience with administrative tasks and data entry along with basic customers service skills.
